Inspection Details

IMPORTANT

- In order to arrange inspection in due time, Baltic Control[®] needs to receive nomination well in advance. The inspection will be arranged at our earliest convenient date.
- If goods are to be presented for inspection in partial shipments, Baltic Control[®] must be informed prior to inspection.
- Should there be any changes or delays in the original inspection schedule, Baltic Control[®] must be notified at least 24hrs prior to inspection. Otherwise the abortive inspection costs will be charged to your account.
- Inspector must have free access including but not limited to the cargo. Supplier is obliged to make all necessary arrangements for inspection i.e. ensure proper space, provide man power in order to move packing units, handle inspected items, spread out the articles, if necessary and re-pack after inspection.

Declaration

I hereby declare that the information provided above is true and correct and the commodity to be shipped is in conformity with specification and provide quality documents.

By signing below, I acknowledge that I have read and understand and agree to the terms and conditions.
