

Caring about quality

Baltic Control[®]

Baltic Control Poland LTD Sp.zo.o

Baltic Control[®], is a leading global inspection, verification, testing and certification company.

We are internationally recognized and operate through a network of offices and trusted representatives across all geographical regions of the world. The company was established at the port of Aarhus, Denmark, in 1980.

Baltic Control Poland Ltd Sp. Z o.o. is a part of the Danish Baltic Control Group and started operations in Poland in 2006. Along with the development, the Polish division permanently entered the market of commodities and cargo control, carried out by a professional group of engineers and inspectors, who carry out the entire range of traditional inspection work at every point in the logistics chain of sea and land transport.
